Dear Montessori School **Alumni** and **Families**,

The school is starting an alumni association to help us all **stay connected**.

What we have in mind: An alumni **web site**—Get-togethers with **classmates**—A **directory** so you can look up your old friends' addresses—A place to **exchange greetings, messages, memories, and ideas**.

To get started, we need to know **how to reach you**. Please send back the form (or just email) to say where we can write to **each** alum and parent in your family, and don't forget your school address if you're away.

We would **love to hear from you** any time!—

Susan Boléa and Norbie Longman,
Alumni Liaisons
